Virtual: What Are They Running From? Youth Trauma and Addressing Adverse Childhood Experiences

Jan. 26-Jan. 29

Discuss why juveniles run away and dangers that apply to youth during this time-frame. Explore strategies for interrupting chronic runaway behavior, while providing a tool to help assess and document runaway reasons, behaviors, and intervention options. Consider trauma that can occur during these runaway events and approaching youth during traumatic events. Register here:

Beyond Google – Discovering Online Resources in Investigations

March 22-23, 2021

Pittsburgh, PA

In the modern cyber-world, almost all criminal investigations have an online aspect that can be used to further investigations and more quickly solve otherwise difficult cases. Join us to examine open source online intelligence/information and learn how to leverage free platforms, databases, and web applications to strengthen criminal cases. Uncover little known facts and techniques to optimize results using online search engines and online internet resources, which will support your investigations and prosecutions. Learn how to complete and serve search warrants for a variety of electronic information and databases to further all types of investigations. Develop new skill sets to establish contacts and open-source intelligence networks to provide ongoing criminal and threat intelligence in your jurisdiction.
