Virtual: Utilizing the Internet to Aid Anti-Trafficking Agencies

March 22, 11 a.m.

How agencies and individuals involved in the anti-trafficking movement can use the internet for discovery. Internet searches for advertisement of sex trafficking, buyers' forums, social media cross-referencing, and establishing contact with those being victimized will be discussed.

Beyond Google – Discovering Online Resources in Investigations

March 22-23, 2021

Pittsburgh, PA

In the modern cyber-world, almost all criminal investigations have an online aspect that can be used to further investigations and more quickly solve otherwise difficult cases. Join us to examine open source online intelligence/information and learn how to leverage free platforms, databases, and web applications to strengthen criminal cases. Uncover little known facts and techniques to optimize results using online search engines and online internet resources, which will support your investigations and prosecutions. Learn how to complete and serve search warrants for a variety of electronic information and databases to further all types of investigations. Develop new skill sets to establish contacts and open-source intelligence networks to provide ongoing criminal and threat intelligence in your jurisdiction. WEBINAR: Media Training for Trafficking Survivors

March 31, 12 p.m.

Requests for television interviews, radio interviews, and print interviews can be nerve-wracking for anyone, and particularly for trafficking survivors. Please join us for this webinar with

renowned expert Tracey Madigan of 15 Minutes Group, who will provide concrete guidance on how to prepare for an interview, how to craft a clear message, and how to handle tough questions. Tracey and her colleagues have guided authors, experts, and trafficking survivors through media appearances and interviews, helping them deliver their message with confidence and skill.

Ascent 121 Presents: Build Beyond 2021

May 20-May 21

Build Beyond is a clinically-focused VIRTUAL training event that will equip you to care more effectively for survivors of human trafficking and commercial sexual exploitation. The conference features nationally acclaimed speakers who focus on different intervention techniques, treatment models, and education about the trauma recovery process. The agenda each year is unique as a new treatment model is introduced. **This year we will be talking about the subcultures within the game of human trafficking, understanding the rules and roles, and clinical strategies to provide recovery for victims who have participated in recruiting.**

Expert speakers include a survivor of domestic sex trafficking and a psychologist who has worked with teen survivors. Learning to customize your treatment approach will empower your program participants to Build Beyond their current circumstances and past experiences to reach the life they desire. Register here: <https://events.idonate.com/build-beyond-2020copy>
